

## Golden Jubilee

### A Huge Success

Compiled by Donna B. Ryan, '58

*H*undreds of alumni and friends gathered on alumni weekend, July 23-25, 2010, to celebrate with classmates and attend the 50<sup>th</sup> anniversary banquet of the Alfred-Almond Alumni Association.

Individual class reunions were held all weekend in various local places, including the Terra Cotta Coffeehouse, Cafe Za, Almond Lions Park, Kanakadea Park, Wellsville's Beef Haus, Muhleisen's, the Hornell Bowl, as well as homes of alumni.

On Saturday evening, July 24, over 300 alumni and guests attended the annual banquet held at the newly renovated Central Dining Hall on the Alfred State campus.

Props and staging were created with a "blue and gold" theme by **Carl Leathersich**, '60, and **"Butch" Lorow**, '61. Featured were huge colorful panels depicting the five decades of the Alfred-Almond Alumni Association. All contained pictures, memorabilia and clippings of important events from each of the five decades, and were placed in the lobby area, which was also the gathering place for the social hour prior to the banquet. An impressive display of attractive gift baskets, artistically arranged by **Kathy Curran Snyder**, '68, became the focal point of the raffle-selling team. Area merchants and artisans, many of whom are alumni, generously contributed items, enabling the AA to garner over \$1000 in raffle ticket sales.

The stage area of the newly-renovated dining hall featured a blue and gold backdrop decorated with eagles, also the creation of **Carl** and **"Butch"**. A large planter filled with blue

delphinium and yellow sunflowers from Comes Greenhouse was placed in front of the podium. Tables were decorated by **Cathy ("Cass") Lorow**, '62, with blue and gold centerpieces, topped with signs designating the honored classes. White table coverings were highlighted with blue and gold linen napkins.

MC for the evening was **Donnie Mix**, '80, who introduced the invocator, **Everett Brooks**, '60, and **Karl Grantier**, '55, who led the group in the Pledge of Allegiance. Veterans who were in attendance were asked to stand and be recognized. Following a buffet dinner, **Bob Baker**, '53, conducted the roll call for the honored classes.

**Hilda Crandall Rowley** of North Port, FL, representing Alfred High School's Class of 1930, was the oldest alumna present. **Rheubena Potter Knapp** of Canisteo, was accompanied by her three sons and a daughter, in celebration of the 75th anniversary of her graduation from Almond High School, Class of 1935. **Bea Weaver Lorow** of Almond was the lone representative of the first graduating class from Alfred-Almond Central School, the Class of 1940.

Speakers for the 25- and 50-year classes were **Scott Reid**, '85, and **Carl Leathersich**, '60, and **Fred Rawe**, '60. The sixteen AACS seniors who were recipients of the 2010 Alumni scholarships were guests at the banquet,

attended also by their parents. The initial \$1000 checks were presented by AA AA Treasurer **Kathy Curran Snyder**, '68, and President **Lee A. Ryan**, '55. The second half of the scholarship award, \$1000, is given to the recipients upon successful completion of their first semester in college. Brothers **Bill**, '73, and **Bob**, '75, **Pulos** assisted in congratulating **Meghann Williams**, who received their mother's memorial scholarship, the Juanita Whitaker Pulos Fine Arts Scholarship. (See separate article in this newsletter for 2010 alumni scholarship winner story)

Highlighting the evening's program were the Sports and Humanitarian Hall of Fame induction ceremonies, each of which was preceded by video presentations created and narrated by **Lindsay Baker**, '06, and **Greg Palmer**, '98. **Harold Snyder**, '50, introduced the Sports Hall of Fame honoree, **Leo Vanderhoef**, '64, who lettered in basketball and baseball, and was a key member of the 60's AA soccer teams, which earned several Class C county titles, advancing to the sectional semi-finals in 1965. **Amanda Stevens Snyder**, '60, introduced the family of the late **David S. Clarke**, '37 who was inducted posthumously into the Humanitarian Hall of Fame. As a teenager, he was an assistant to

Dr. Lloyd Watson, an AU chemistry professor, who was the first in the world to successfully inseminate a honeybee queen using special instruments. David became a pastor, and was honored for his unselfish service to others through volunteerism and serving many civic causes during his lifetime. His children, **Sherman Clarke**, '64, **Cathy Clarke Baumgarten**, '67, **Carol Clarke**, '68, and **G. Douglas Clarke**, '75, were present to receive his award. Later, they commented: "We were all delighted to have Dad honored by the Association as a humanitarian. As I said the night of the ceremony, Dad would probably have been embarrassed by all the attention. We are so proud of him, and thank you for granting Dad this honor."

AA AA President **Ryan**, '55, closed the evening's events by extending thanks to the AA AA board for their hard work and dedication to the Alumni Association. The board members work hard throughout the year, putting countless hours into planning and setting up what they hope is a wonderful gathering of old friends and classmates. They pray that everything goes smoothly, but sometimes it is the glitches that make an event memorable.

We wish to apologize to those who did not appreciate the accidental substitution of hot peppers for sun-

dried tomatoes, but also appreciate the comments of those who thought it was the best pasta they ever tasted! In the years to come, we'll be able to laugh about it and use that good old phrase: "Do you remember...."!

The Class of 1945 celebrated sixty-five years with the following, along with their guests, attending the banquet: **Fran and Betty Hicks Schwartz, Anna Marie Snyder Trowbridge, Martin "Bud" Gillette, Ben Cornelius, and Thelma Gardiner Mix**. Later in August, they held a reunion at the Valley Grill in Canisteo, which was well attended. (See related story)

Rheubena Knapp and family

The very successful 50<sup>th</sup> anniversary banquet resulted in many comments from alumni: **Rheubena Knapp**, '35, commented: "I was amazed to see so many in attendance at the 50<sup>th</sup> anniversary of the AA AA. I'm so happy that I was able to attend as it was the 75th anniversary of my graduation from Almond HS. It was truly a wonderful evening. Thank you so much for making me a part of it. I am proud to be a member of such an outstanding group!" Rheubena was proudly accompanied by her four children: sons Daryl, Jim, and Steve live locally and her daughter, Irene Hartman, surprised her by coming from Orange Park, Florida, to be with her mom that night.

**Don and Peg Jefferds**, '60, Almond, NY: "We had a great time having Don's class here and I hope everyone else did." (Ed. note: Thanks to Peg and Don for the use of their garage when we put the newsletter mailing together – and to Peg for taking pictures!)

**Pat Wasson**, '60, Alfred Station and FL: "I had a great weekend. Our Class of 1960 (50 years) got together all three days for something. I go to the reunion every year and have a good time, but

this year was a lot more fun because I saw some people for the first time in 50 years and also some that did not come to our 25th. So if you can make a reunion, do it. You will see people that you may not have gotten along with in high school – but you will now. People change."

**Jim Habern**, '60, Dyke, VA: "YOU GUYS ROCK!!!!!! What a great weekend!! This was, by far, the best reunion I have ever attended... including family reunions!! Truly we had a really special and terrific time. All the planning and heartache that goes into such an event, you can be assured, was worth it to the attendees. I cannot tell you how much fun it was...And a special thanks to you and all those who made Janet feel very comfortable and as much a part of the entire gig as she felt. She had a wonderful time..we talked about it for hours on the way home. Please convey my warmest thanks to Donnie and Amanda for their generous and warm soirées at their homes..What a great time! Semper Fi."

**Dan and Arlene Barron McMahon**, '60 and '62, Almond, NY: "It was a nice time. Thanks again for all the hard work you all put into the AAAA."

**Joan Davis**, '65, of Rochester, NY, who headed up the Class of 1965 event, wrote: "We all met at Lions' park in the afternoon. The weather was perfect! Many classmates who attended the 40th were there, and we had a number of classmates who attended for the first time: **Dick Whitford, Tom Rawe, Phil Lockwood, Bill Sephton, Diane Brown, Sharon Kelly Lamphear** and **Beth Clancy Cartella**. **Dick** came the farthest - from sunny California. Most of us also toured AACs together, reminiscing about teachers, lockers, etc. We took photos in the 'old' gym and on the old gym stage, and also in the cafeteria. I put all the photos on Kodak Gallery and shared with all classmates to keep the enthusiasm going. It was so much

fun commenting and listening to all the comments - happy memories for sure! We had a banner attendance at the banquet. Some of us went to Mulheisen's afterwards for one more drink. On Sunday, some of us met for breakfast at the Country Kitchen in Hornell before leaving to go home. All in all it was just a terrific weekend!!"

Others from the Class of 1965 agreed: **Cecil Briggs**, '65, Wellsville, NY: "Hi: Just wanted to let you know what a great job you all did with the banquet -- it was great."

**Dave and Linda Mullen Ryan**, '65, Watkins Glen, NY: "Fun to see people we hadn't seen since graduation and the ones we see every 5 yrs."

**Cindy Ordway**, '65, Livonia, NY: "I had a super time Saturday afternoon and the banquet. It's always fun to see how much some of us have changed in looks and then how others are sooooo easily recognizable!"

**Ron and Sherry Tucker**, '65, Rochester, NY: "Had a wonderful time the whole day, ending with the wonderful banquet. You guys do a great job. Thank you."

**Phil Lockwood**, '65: West Boylston, MA: "Rochelle and I thoroughly enjoyed the Class of 1965 reunion at Lions' Park and the banquet at Alfred State. For me, I had not seen some of my classmates since graduation, and I was happy to note that most people hadn't

changed much since 1965. Rochelle also enjoyed meeting my classmates - most for the first time. For her, it was also a home coming because she went to Alfred State. Being in the Central Dining Hall again brought back some fond memories for us - that's where we met some 42 years ago! It was great to see everyone and we're looking forward to seeing everyone again at the 50th reunion in 2015."

**Mike** '70, and **Anna Knudsen**, Hackettstown, NJ, won the quilt wall hanging handmade by **Mary Ellen Tucker Westlake**, '49, which she had donated for our raffle. Thanks for contacting us, and we really enjoyed the reunion." (Proofreader's note: I received a lovely "thank you" note from Anna. It's nice to be able to make a donation to the AA AA raffle and a nice note makes it "all worthwhile" – easier to make more. Mary Ellen Westlake)

**Jan Phillipson Burdick**, '70, Alfred Station, NY, commented: "It is always great to see old friends and the banquet

was a huge success due to all of the hard work by all of the committee. To the Class of 1970 - plan now for our 50th so we can have a great turn out!!"

**Mark Mix**, '85, Fairfax, VA: "Thanks to the Alumni Association for a wonderful evening! I got to see several old friends and renew contacts from over 30 years ago. It was encouraging to see the generous support for our recent graduates too. Hat's off to all of you. I'll be BACK!"

**Lucinda Snyder**, '86, Alfred: Her son, **Joseph**, was a recipient of one of the alumni scholarships, and she commented: "I did enjoy the banquet. I really enjoyed the powerpoint of the AA AA. **Lindsy (Baker)** and **Greg (Palmer)** did a great job on all of those presentations."

where we left off. The banquet was run very well. I believe we felt it had a smooth flow, great food, and enjoyable presentations. Thanks again."

**Marie Dunn**, '97, Hornell: "Thank you for the banquet. My first time, and it was wonderful!"

**Leigh Schreiber Emerson**, '00, Alfred Station: We were hoping for a better turn out since there are so many of our classmates in the area, however we know how summer can be... it fills up quickly with family vacations and things to do. We had 11 class members and 4 classmates who brought significant others and 3 children who joined us at the Kanakadea Park for a picnic filled with memories and yummy Stearns chicken. We had a blast reminiscing about high school. We talked and laughed for hours and we were sad to have to end the fun. We, of course, had a toast to our late friend, **Andy Marlatt**, who we all knew was looking down at us! Everyone agreed that we wish we could all get together more often. We are hoping at the next reunion more classmates will join us for the walk down memory lane. When we said goodbye, everyone was so happy they cleared their schedules to be at the next reunion!"

**Kelly Snyder**, '05, Alfred: "I had a lot of fun and I can't wait till my 10<sup>th</sup> year!"

Kelly Snyder, '05 and Linell Soule, '70

**Meghann Williams**, '10, of Hornell, one of the alumni scholarship recipients, sent this email: "The banquet was excellent and you did a great job putting it together! The food was great, and it was really well put together. I had a really nice time. So thank you!" ■

## Greetings From Your AA AA President

Dear Fellow Alumni,

As I read over our annual newsletters for the last five years, I remembered what a great school we all graduated from and all the great people that went through the halls of AACS. Many alumni and teachers have stretched and made a difference in our individual lives and also the world in which we live.

Our new Alumni Wall, located in the newly designated Alumni Hall, will give us a place to recognize the accomplishments of AACS alumni. Already, the hallway contains nine plaques with more than 420 names of alumni who have served in the military over the past 70 years. As we watch the conflicts unfold throughout the world, we are motivated to recognize our alumni veterans who have been honored with individual distinguished service and heroic medals. These alumni will be guests at our banquet, and their names will be engraved on a new plaque on the Alumni Wall. (see story elsewhere in this newsletter)

I want to thank **Karl Grantier**, '55, for all the work he has done over the past six years, gathering veterans' names and continually updating the plaques. If you have names of veterans that should be added to the plaques, or if you question if a name is in place, please contact him: kgrantier@gmail.com

At our March board meeting, it was decided to increase the amount of our scholarships this year to \$2500, to be given to sixteen seniors (\$40,000 in 2011). We will be awarding sports camp and arts/music/technology camp scholarships as well.

All of our accomplishments are possible because of the generous financial support from you, our alumni, and the continued encouragement and support from the AACS school board and Mr. Rich Calkins, superintendent.

I also want to recognize our board of directors: **Don Jefferds**, '60, vice president; **Kathy Curran Snyder**, '68, treasurer; and **Donna Burdett Ryan**, '58, secretary and newsletter editor. Our board members are **Bob Baker**, '53; **Carl Leathersich**, '60; **Kate Crandall Palmer**, '96; **Lucinda Snyder**, '86; **Ervilla Dungan Crandall**, '79; **Kay Snyder Chapman**, '57; **Becky Schwartz Comer**, '81; **Butch Lorow**, '60; **Cass Lorow**, '62; **Katri Adams-Ormsby**, '92. Also Teresa Johnson, the "keeper" of our alumni database. This organization could not function without their dedicated leadership and willingness to work hard.

One thing that we must work harder on is encouraging alumni to pay their dues. Our 2010 mailing to 3000 alumni resulted in only 25% (752) paying \$5 dues (\$3760). The cost of producing and mailing the May, 2010, newsletter, plus the reminder sent in the fall to those who had not responded, cost us over \$4000. As you can see, the number of people responding with their dues is not enough to cover the newsletter costs. Please – pay your dues, even if you cannot send another gift. We need your dues! With your help, we can get our dues-paying members up to 1000!

Don't miss our 51<sup>st</sup> annual banquet on Saturday, July 30, at Alfred State College Dining Hall! It will be another great one!

Sincerely,

**Lee A Ryan**, '55, President, AA AA

## Master Gunnery Sergeant

### Frank R. Cartledge Retires

Master Gunnery Sergeant **Frank R. Cartledge**, '80, retired on September 1, 2010 after 30 years of active service in the US Marine Corps. He was a drill sergeant at the USMC Recruit Station, San Diego, CA, and his latest assignments were as the Senior Enlisted Officer serving as Non-Commissioned-Officer-in-Charge (NOCIC) at both Camp Huachuca, AZ, and National Security Agency (NSA) at Kunia Base, Oahu, Hawaii.

In the course of his career, Frank received many awards and medals, including the Defense Meritorious Service Award (the third highest peacetime Defense award).

Frank graduated from Alfred-Almond in the Class of 1980, where he was a member of the AACS swim team. Frank's name is still on the board as he holds the AACS pool record for diving, scoring 247.5 (6 dives) in 1979. He also came in second in the Section V competition in diving in 1980, with a score of 401.8 (11 dives), and was part of the swim team that won the Section V trophies both years in 1979 and 1980.

## Sports Hall Of Fame To Induct Three In 2011

By Jill Snyder Grigg, '86

AA AA's 2001 Sports Hall of Fame inductees are **Sara Jayne Evans Johannes**, '87, and **Angela Osborne Maynard**, '84. **John Ninos**, '74, is being inducted into the Sports Hall of Fame in the contributor category.

### Sara Jayne Evans Johannes, '87

During Sara's years at AA, she has participated and excelled at three sports. Her speed and versatility were her assets during her five years on track and field. Sara collected five individual sectional titles as well as six titles in relay events. She currently holds the school record in the 100-meter hurdles and discus (with a distance of 117 feet, 4 inches) The girls track team won the sectional title all five years Sara was a member.

Sara was also considered a lead component on the volleyball court, collecting many an MVP award on the way. Sara was the Section V MVP her senior year. Her last year at AA led her to the soccer field, where her speed helped bring about a semi-final win in the Section V Class D tourney. Sara was also awarded the Almond Lions 'Jake Stuart Award' in 1987 for outstanding all-around athlete. Our congratulations go out to Sara!

### Angela Osborne Maynard, '84

Our next inductee is Angela Osborne Maynard. Angela was a two- sport athlete at AA. In the five years Angela participated on the track team, she collected numerous titles. In each meet, she competed in four events: the 400-meter dash, the 400-meter relay, the 1600-meter relay and the 200-meter dash. At one time, she held the AA school records in all four events; two remain in place today. She brought home Section V titles in all four events in four of her five years of competition. She was a true leader of the team and always gave 100%.

**Holly R. Horton Hogan**, '69, has been appointed by the NYS Governor's Office to the Alfred State College Council. Council members serve the president of the college without salary. Hogan, the acting principal of Hornell Intermediate School, holds a Master of Science degree from Alfred University, a Bachelor of Science degree from Empire State College, and an Associate in Applied Science degree from Alfred State College (1983). She has also earned a certificate of advance study from SUNY Brockport. ■

Angela's speed was not wasted in the off-season as it was put to good use as left wing on the girls' soccer team. Always there when needed, she answered by scoring double-digit goals several years in a row. Being voted co-captain her senior year was a highlight of her soccer career. Our congratulations go out to Angela!

### John Ninos, '73

It is because of his participation in AA sports, as well as his tireless continuing support of the AACS sports programs, that John Ninos, '73, is being inducted into Sports Hall of Fame in the contributor category as a coach, a fan, volunteer and donator of time. He was not only an all-around athlete while at AA, participating in soccer, track and wrestling, but since his graduation, he continued to be passionate about the AA sports program.

John served as wrestling coach at AA from 1986-1992, where his squads won 18 tournaments in his five years of coaching. He coached such stand-outs as **Kenny Porter**, who won the 1st ever NYS title for Class D, as well as **Lanny Herrick**, first wrestler to win 100 matches at AA. After his tenure at AA, he started the Youth Wrestling Program in 1992. This program continues today.

In 1992, John started the Alfred-Almond Youth Soccer program, and organized the first ever Alfred-Almond Fall Cup soccer event. As of today, this program is going strong with over 150 kids involved with the program. The Fall Cup is held every October, and approximately 14 teams compete for the title. John supported the youth soccer program throughout the years, as a coach and referee.

We thank you John, for your enthusiasm and commitment throughout the years. The great athletic teams that represent Alfred-Almond Central School are a true reflection of your hard work and dedication to the youth wrestling and soccer programs. ■

## 2011 Banquet:

### Beach Party Theme

July 30, 2011

By Carl Leathersich, '60

There will be no heat wave, undertow, jelly fish, undercurrent, or mean bullies kicking sand in your face at this year's 51st Annual AACS Alumni Banquet to be held July 30, 2011. But there will be a huge and exciting "Beach Party". **Carl Leathersich**, '60, and his committee have already started putting their heads together to make plans to transform the SUNY at Alfred's Central Dining Hall into a great little stretch of private beach, just for AACS alumni and guests. Beach attire is encouraged for the evening's get-together. Gals -- get out that colorful sarong, and guys -- your flashiest summer shirt and shorts. Straw hats, shades and flip-flops welcome. If you're not into "dressing the theme", just come casual. Attend and catch a wave of fun and frolic. There will be "oceans of drinks" and "boatloads of food". The ocean breezes will be cool (air conditioners will work)! Support your class with your attendance and renew old friendships from the past. The "surf's up", so circle the date on your calendar and send in your reservation now for a great time at this year's Alfred-Almond Alumni Association "Beach Party". It sounds like it's going to be a blast! ■

The Coaching History Of Alfred-Almond Swimming

On March 4, 2011, attorney **Bill Pulos**, '73, published a book entitled **THE COACHING HISTORY OF ALFRED-ALMOND SWIMMING.** Bill was inspired to write the book after watching the swim team during its undefeated 2010-2011 dual meet season and watching the team win its fifth consecutive NYS Section V championship on February 12, 2011 with its coach Gerry Flaitz, Jr., the ninth in its 46-year history.

As a precursor of the book, Bill and his brother **Robert Pulos**, '75, coordinated a spirit ceremony for the team on its senior night January 20, 2011. The Pulos brothers created, purchased and donated a swim team banner, swim team T-shirts for the varsity and modified team and a written program summarizing the history of the team dating back to 1965. The ceremony honored the history of the team and its past coaches.

Both Pulos brothers attended Alfred-Almond Central School for 13 years, were swim team managers, charter members of the original Southern Tier Swim Club coached by Dennis O'Brien, four-year varsity lettermen, swim team captains, school record holders, Southern Tier Swim League medalists, learn-to-swim instructors at Alfred State coached by Glenn Patton and AA Senior High Student Council Presidents.

The book pays tribute to the rich history and tradition of the team and its fourteen coaches over forty-six years. The team has produced hundreds of student-athletes, many individual school and pool record holders, a select group of Sectional winners and State qualifiers, two NYS Section V Coaches of the Year, nine NYS Section 5 team championships (including three in Class C) and a record breaking five in a row in Class D, several college varsity swimmers, one NCAA Division III Academic All-American, four NCAA Division III All-Americans with 38 All-American awards between them, a four-time USA High School All-American, one NCAA Division I Big Ten First Team Member and Division I Academic All-American.

At the ceremony and in the book, the Pulos brothers acknowledged their personal pride in being a part of the history and personnel of the AA swim team. They shared their personal gratitude to their parents, the taxpayers and Coaches Patton, Codispoti, Allen and O'Brien for their guidance and support of the program. Throughout the dedication ceremony, tribute was paid to the first coach, Glenn Patton, as well as the series of following coaches including Robert Codispoti, **Russell Allen**, '50, Dennis O'Brien, Nancy Emerson, Skip Hyde, Rich Bondi, Patty Sheedy, **Tanya Lane**, '87, **Kim Mead-Colegrove**, '87 Damian DeMarco, **Robert Woughter**, '88, **Kate Crandall Palmer**, '96, and current coach, Gerry Flaitz.

Highlights of the seasons from 1965 through the present were shared, noting the specific accomplishments of **Lauren Bonfe**, '04, **Julie Smith**, '91, **Tim Schaeberle**, '81, **Cary Schaeberle**, '83, and **Kameron Chambliss**, '00. Special mention and honor was given to the memory and contributions of **Duncan Gray**, '69, (1951-2010) and **Carol Horton Luffel**, '73, (1956-1997). ■

Tours of AACS

Returning AACS alumni comment that one of the highlights of their return for the banquet and class reunions is their visit to their alma mater, AACS. **Don Jefferds**, '60, has been in charge of these school tours for many years, and he will once again be "on duty" on Saturday afternoon, July 30, from 2 to 4 p.m. to show alumni and guests through the halls of AACS. One of the features you will want to see is the old gymnasium, transformed into an auditorium! And don't forget to drive up on the hill behind "the pines" and take a look at the modern sports complex, complete with six tennis courts, soccer, softball and baseball fields with lighting, a concession stand and bathrooms.

**Karl Grantier**, '55, will be posted in the newly designated ALUMNI HALL, the corridor between the "old gym" and the swimming pool/gymnasium complex, where the nine wooden plaques are hung, containing the names of more than 420 AACS alumni vets who have served our country. While you are there, check out our new Alumni Wall. ■

US Navy Seal Eric Crandall, 2004, Presents US Flag For Veterans Wall

**Eric Crandall**, '04, US Navy SEAL, recently presented an American Flag which flew over his post at Baghdad, Iraq, to the Alfred-Almond Central School to be displayed in the Veterans Wall corridor.

**Karl Grantier**, '55, chairman of the Vets Wall project, received the flag on behalf of the Alfred-Almond Alumni Association. **Rich Calkins**, AACS Superintendent, was among those congratulating Eric and thanking him for his service. Others witnessing the presentation were AA AA Board President **Lee A. Ryan**, '55 and officers **Bob Baker**, '50; **Carl Leathersich**, '60; **Donna B. Ryan**, '58; and **Kathy Curran Snyder**, '68, as well as his parents, **Mike** and **Ervilla Dungan Crandall**, '79.

The Flag Citation reads: "To all who read this greetings: The accompanying United States flag was flown in the face of the enemy by the men and women of the Joint Task Force South, Baghdad, Iraq, September 11, 2010. It represents the Honor, Courage, and Commitment of Joint Task Force South and Operation New Dawn. Signed, **Eric Crandall**, SEAL Team 8"

Eric graduated from AACS in June, 2004 and enlisted in the U.S. Navy in February, 2005. He completed his training in San Diego, CA, where he completed 13 months of advanced training to become a U.S. Navy SEAL. Eric is currently fulfilling his orders in Virginia Beach, VA, and continues to travel across the US training for Sea Air and Land environments.

The flag, encased under glass in a handsome frame, will be displayed with other alumni plaques and memorabilia on the new Alumni Wall, plans for which are currently being made by the AA AA board, according to Lee A. Ryan, president. One entire wall in the corridor is devoted to nine plaques containing the names of more than 420 AA alumni who have served in the military since 1940. This project was the result of Grantier's passion for recognition of AACS servicemen and women. ■

GREETINGS FROM THE NEW AACS SUPERINTENDENT

Dear Alfred-Almond Alumni Association:

It is with great pleasure and a sense of deep appreciation that I write this letter. The pleasure stems from the fact that we share a common mission, the advancement of our students, school and community as a whole. The appreciation is a direct result of all that you have done to help significantly impact the lives of so many of our fine graduates.

A school district is only as strong as the community that it represents. It is vital that the two share a common belief in the importance of providing a strong educational foundation to our children and work together towards achieving this goal. As I look at the strength of our community, I realize that I am also viewing the strength of our graduates who have chosen to stay, raise their families and in turn become significant contributing members of our community. That the Alumni Association plays an integral role in this process is to me self-evident and is reflective of this aforementioned common mission.

On a personal note, I have been very thankful for all that you have done both for our students, through your provision of scholarships and the school as a whole through your many endeavors which serve to honor the accomplishments, or service records, of our graduates. To date, I believe that you have donated over \$195,000 in scholarship money and in doing so, you have helped to provide the means for countless students to further their education. The "Alumni Hall" project is well underway and will help to provide an opportunity for past graduates to remember the accomplishments of their friends and classmates and perhaps, more importantly, act as a catalyst, a standard of high achievement, to which our future graduates can aspire.

You have my support and gratitude for all you do. Please do not hesitate to contact me if I can be of service in any manner to your fine organization.

With my best regards,  
Richard N. Calkins

AACS Alumni Invited To Sing In Christmas Concert

Carina Telesca, AACS vocal music teacher, has issued an invitation to all alumni to join the Sr High Chorus at their Christmas concert in the singing of "Carol of the Bells". Traditionally, the Sr High Choir sings this familiar carol annually.

## Emily Timbrook, '10, Remembered

By Marcia Lichtman

**Emily Timbrook** didn't make it to graduation day, but she will be counted among A-A's most influential students because of her zest for living, her willingness to give of herself to others, and her love of nature and the importance of protecting the environment. Emily would have been a member of the graduating class of 2010, but during spring break of 2009, her very full life was cut short by a tragic automobile accident. In support of her values, instilled and nurtured by her family, the Timbrooks immediately began to seek ways to commemorate Emily's life.

Initial memorials were directed to the eye bank, blood drives, and to the DEC camp at which she was a counselor. The latest tribute to her memory was built atop the race hill at Swain. A top alpine ski racer, Emily had always wished for a spot for the racers to keep warm while they waited for their run, so friends and former teammates had a work bee and constructed a warming hut: an open fronted shelter equipped with a stack of neatly split logs and a pot bellied stove out front. Benches were fashioned from skis and snowboards, and a plaque installed inside paying tribute to Emily.

A zealous competitor for Alfred-Almond, she routinely finished among the league's top five female racers, and would certainly have been a contender for league champion, had she lived. Her death had a profound effect on the entire race league, and new race bibs were purchased for the league this year bearing her initials inside a small heart.

At the dedication of the warming hut prior to the first race of the 2010-11 race season, race director Silas Axtell gave tribute to Emily's zest for life and passion for ski racing. "Emily was an important part of our family. She raced for Alfred-Almond's ski team; she practiced with the Dev Team, and she beat the 'old men' on Fridays at Kitt Cup. She was a prominent face here at Swain and will be remembered by all. The important things that Emily taught us: to work together, that volunteerism is not just a political sideshow, that through donation we can all help others live a better life, that life is as fun as you want it to be!" Axtell announced that the number one race bib will be forever retired in her honor, and he skied down Wheels Run carrying the framed #1 bib on its inaugural and farewell run. Emily's entire family was on hand for the memorial celebration.

It is rare for one teenager to have the maturity and empathy for others that Emily possessed. She was an outspoken advocate for the things she believed were important, and her family has been equally thoughtful and committed to making sure that her life continues to support her passions; family, environment, school, friends, athletic competition, volunteerism, sharing, and caring. As a result, the positive ripples from Emily's short life will continue to impact the Alfred-Almond school and community long after her death. ■

The Alumni Association's goal is to give back generously to Alfred-Almond students.

With your help we can raise significant scholarships for the upcoming group of worthy AACS graduates.

Please consider us in your estate planning.  
We are a 501 (c) 3 corporation

## Humanitarian Hall Of Fame

### Call for Nominations

Do you know an alumnus/a who should be considered for the Humanitarian Hall of Fame? The committee is asking for your help in finding these folks and their stories. Consideration is based on outstanding achievements and/or notable service; extraordinary contributions involving the arts or humanitarian causes; or, in special acts of valor, heroism, and patriotism where self-interest was courageously subordinated in the face of adversity.

**Category I** – Alumni Graduates of AACS or of its two predecessors schools (Alfred and Almond High Schools;

**Category II** – Contributors – Administration, faculty, staff of AACS or of its two predecessor schools (Alfred and Almond High Schools).

The committee needs more than just a name and "I think this person would be a good candidate."

Send information via email to alsnyd@gmail.com or mail to **Amanda Snyder**, '60, at 1282 Randolph Rd., Alfred Station, NY 14803. Committee members include **Steve Crandall**, '72, **Steve** and **Becky Jacox Metzger**, '61, **David Palmer**, '55, **Betsey Burdett Stout**, '54. ■

**Sherry Butts Volk**, '62, was featured in a front page story in the *Alfred Sun* entitled, 'Bag Lady' Takes Her Bags to Costa Rica. The story described "the trip of a lifetime" to celebrate the Volks' 45th wedding anniversary, which turned into a trip that included the entire family (thirteen in all) and seventeen suitcases filled with school supplies for Costa Rican children. Items collected by various churches included lead and colored pencils, spiral bound notebooks, crayons, scissors, pencil sharpeners, rulers, erasers, staplers, construction paper, pens, and flashlights, as well as playground supplies, such as jump ropes and sidewalk chalk. Sherry had also heard that chocolate chips were a premium item in Costa Rica and would be very much appreciated. So – tucked safely in the huge volume of heavy suitcases were twenty-two pounds of chocolate chips. After the suitcases had been safely delivered and the contents sorted, Sherry spoke with the very grateful and appreciative school principal. "The chocolate chips!" she exclaimed. "Volunteers bake cookies for the children and when they come out of the oven, they carefully count out and press three chocolate chips into the top of each cookie... I think," she said, "that we will put five chips on each cookie for awhile." ■

## Coming Home

By Kate Crandall Palmer, '96

I like to joke that Alfred-Almond is in my children's blood. Both of my parents, (**Steve** and **Pat Montgomery Crandall**), and my father-in-law, (**Ben Palmer**) graduated with the class of 1972 and it became my alma mater as well in 1996. When I returned to Alfred-Almond Central School to begin my own teaching career in September of 2000, it felt like coming home. More than ten years later, it's clear that I'm not the only former student who has felt this way. As I walk the halls of my beloved Alfred-Almond, there are many of my former classmates traveling those halls with me.

Alfred-Almond Central School: The name evokes distinct memories for each and every one of us. Perhaps you're reminded of your favorite subject, a friendly classmate or a physical education class. Maybe it brings up a recollection from the cafeteria, senior area or the playground. Or possibly, like me, you're reminded of a special teacher who impacted your life.

It takes a vast number of truly dedicated people to make Alfred-Almond the special place that it is. From administrators to custodial staff, to office personnel, to coaches, to cafeteria workers, to teachers, assistants and aides, none could do their job without the support of the rest. Currently at Alfred-Almond there are dozens of former Alfred-Almond students working together to help make the school great, both behind the scenes and in front of students.

Many of the people "in front" are my former classmates; people I sat in class with, participated in athletics with, sang in choir and played in band with. And we share a similar feeling about this place that helped shape us into who we have become.

As I write this, there are at least fifteen A-A alumni teaching the future graduates of Alfred-Almond Central School. Starting at the beginning, **Jessica France Dunning**, '94, is the current teacher for the Universal Pre-Kindergarten program. At the Kindergarten level, two former graduates are at the helm: **Jessica Snyder Dwyer**, '07, and **Kimmy Kinnerney**, '03. First grade has **Hannah Burdick**, '02. At the second grade level, we have **Ben Link**, '95. At third grade we have **Tammy Drum Olix**, '84. At the fourth through sixth grade levels we have **Craig Mix**, '78, **Bob Woughter**, '88 and **Debi Schwartz Kenney**, '83. **Kelly Markham Hamsher**, Class of '90 can be found teaching in the Unified Education department along with teaching assistant **Diane Mulligan Chamberlain**, '84.

In the high school **Linell Soule**, '70, teaches physical education and adaptive PE, while **Tanya Winters Lehman**, '94, is the reading specialist. And that's where I can be found, happily co-teaching alongside many of our amazing faculty members as a Unified Education teacher.

Some of these skilled educators worked in other fields before pursuing education. Others taught in other states, other districts near and far before coming home to their alma mater. And some of us graduated from high school, left for a few years, and immediately returned to the home they knew and loved -- to teach, coach, and create new experiences at good old AA.

Personally, I'm thankful to be able to teach in the district where I was taught, where I learned how to balance academics, sports, social activities and family, where I had coaches who expected their athletes to be scholars as well, and where my children will be able to share in similar experiences as they grow. ■

"To say that Alfred native **Flora Gill**, '98, is making a fashion statement would be an understatement," *Alfred Sun* Editor **David Snyder**, '74, began a full page spread in the February 25, 2010 edition. Flora and her classmate from Parsons School of Design, Alexa Adams, founded their "Ohne Titel" (German for "No Title") fashion design firm in September, 2006. The *New York Times* has listed their firm among its "Nifty Fifty" of up-and-coming talent, stating: "The arty moniker reflects their smart-girl approach to fashion. Rather than lurch from trend to trend, they've merged their love of traditional handwork with cutting-edge fabrics and construction techniques to create a tailored yet tactile look..." Dave's article also quoted *Fashionista*, which stated: "Could we be looking at the next Donna Karan?" The *Sun* story continues: "While Manhattan is only 325 miles from Alfred, Flora admits that it's another world. But she was quick to make the adjustment to city life, where she's made her home for the past decade. "She said that she even occasionally runs into 'Alfred folks' such as **Lisa Bostwick**, '92 who lives down the street. When asked whether she would consider ever opening an 'outlet store' in Alfred in what could become a tourist attraction, she said, 'You never know, that might be possible.'" Flora's classmates are not surprised at her success: **Hilarie Lloyd**, '98, commented: "I remember her showing us her sketchbook around 8th grade with all those long-legged models that were impossibly gorgeous in her designs. I remember us crowding around her sketchbooks at lunch and in Mr. Manske's room. *Vogue*: That was a big thing for Flora that we all experienced by being her friends -- the surprising shapes and colors of fabrics on women and men on those glossy pages! I remember flipping through the endless *Vogue* magazines at Flora's house. They were thick and smelled overwhelmingly of perfumes that were not like the kind my mom wore..." ■

## ALUMNI NEWS 2010 - Taken from Alumni return forms

Compiled by Donna B. Ryan, '58

### 1936

**Leland C. Mosher**, '36, Andover, NY: I salute you, the dedicated, for the tremendous work necessary in producing the AACS Alumni newsletter.

### 1937

**Mildred Moland Moore**, '37, Orlando, FL: At age 91, I enjoy hearing news of my earlier friends.

### 1938

**William (Bill) Crandall**, '38, Charlotte, FL: In May of this year (2010), Betty and I returned from a 15-day tour of Egypt – what great sights and questions about life and construction of the monuments there. One of my favorite memories: I started school with my sister (Virginia) as my teacher at Alfred High School. Re the newsletter: A lot of work – keep it up!

### 1940

**William B.** and **Lura Polan Turck**, '40, Taylor, MI: Lura and I have three children and six grandchildren who know Jesus Christ as their personal Lord and Saviour, and are bringing up their children (our 18 great-grandchildren) in the same Bible-believing faith. I worked until I was 80 ½ years old, because I enjoyed the challenge of solving mechanical engineering design problems. The last 50 years were at Ford Motor Co. (The last 14 years were in retirement, where I was awarded three of my four patents for Ford.) I like to give Alfred High School credit for the excellent training in

mechanical drawing that helped launch me into a lifetime of enjoyable work. I had been looking forward to attending the banquet this year, my 70<sup>th</sup> anniversary year, but family health problems will prevent my being there. Your banquets are a great celebration!!!

### Sally Rice Worden,

'40, Berkeley, CA: I am still going to the Oakland A's baseball games. They make it so easy for us old timers... golf carts to the gates, an elevator up to the seats, etc. On a sad note – my brother, **John (Dr. John Rice, Jr.,** Class of 1944) died last year. I miss him because he could fill in the blank spot in my memories. My only memories are of Alfred High School. Great times. Some different from the city schools of today. You're doing good work.

### 1943

**Donald Carnes**, '43, Ridge Spring, SC: COPD still bad. Thanks for the letters received. Keep in touch.

### Janice Pierce Crocker,

'43, Kirkwood, NY: Really sorry to read about the fire in Alfred. I walked to school past those stores daily. Sometimes on the way home we'd be given "bun candy" at the bakery down the street. After AACS opened, we were bussed to and from, every day. The article by **David Crump** was great! A trip back in time. Incidentally, you had a "typo" in this year's comments. I have 9, not 10, grandchildren. You are doing an excellent job following in Arlene's footsteps. Best wishes for the coming year.

### Neva Jacox Darling,

'43, Spindale, NC: Favorite memories of AACS: Home Ec and teacher **Dorothy Crusen**. Great newsletter!

### 1944

**Charles Robinson**, '44, Gulf Breeze, FL: I often think of AACS and the folks I went to school with, wondering where they all are. Thank you to the folks in that era that have responded to this newsletter. I still live in Gulf Breeze, FL and enjoy the area. It was nice to read the note from **Jeanne Kame Schwartz** about **Francis Burke Nash**. Thank you, Jeanne.

### 1945

**David Ferry**, '45, St. Louis, MO: When I was a senior, **Miss Bacon**, the girls' gym teacher and a great coronet player, started a swing band in the school. I was in it. It was great fun. We played for dances in the gym and even had a job playing for a Junior Prom at another school – don't remember which one – and we were paid! Got the feeling of what it must have been like to play in one of the Big Bands.

### G. Donald Zirkelbach,

'45, Pittsford, NY: Worked in the baking industry 61 years, still play tennis three times a week – doubles only. Ski every season in Wyoming and Montana.

### 1946

**Geraldine Davis Goss**, '46, Wayland, NY: Married 57 years when my husband died. A daughter, Teresa, medical

staff coordinator at Geneva General Hospital; a son, Wayne, shop manager at Rochester Lewis General Tire Co. No grandchildren. The Class of 1946 has the title of "The Smallest Graduating Class of AACS" – 18 in all – great faculty. Re the newsletter: Absolutely fantastic. I enjoy catching up on former students at AACS.

### Dave Hildebrand,

'46, Waterloo, SC: I am sorry that I have never been able to attend the banquet (long way from SC). However, during a visit to Alfred this June, we were given a tour of the school by Superintendent **Rich Calkins**, even though it was not a convenient time for him. For the tour "we" included **Lockhart Harder**, also Class of 1946, and his wife, Cavolene, my wife, Shirley and myself. We were all impressed by the condition of the original building and the many new facilities.

### Morgan "Eddie" Wirt,

'46, Wiggins, MS: I came to AACS in my junior year and have many good memories, especially of **Paul Powers** and his fantastic teams of that era (1944-1946). I submitted the names "Eagles" when the name for A-A sports teams was being decided in 1944 or 1945. Perhaps others submitted that name, too, but I like to think that I named the AACS teams. Your newsletter is a quality production. Lots of good news and historical information about AACS.

### 1947

**Allan Hitchcock**, '47, Lakeway, TX: I am sorry to report that my dear wife, Anne, of 59+ years, died on May 2, 2010.

### Geraldine Dickinson

**Johnson**, '47, Camarillo, CA: **Arlene Champlin Roberts** -- we will all miss this kind, loving person. Bless you always, dear cousin. Thank you for the nice write up about Arlene.

### Phyllis Watson Tincher,

'47, Hornell, NY: Knowing and loving best friends from 6<sup>th</sup> grade to date: **Doris Reynolds Cuccia** and **Maxine Henry**. We are in touch weekly and monthly after all these years. Great job on the newsletter: I read it from cover to the end! Miss Arlene's input.

### 1948

### Eileen Pendleton

**Anderson**, '48, Hope Mills, NC: Thank you so much for the Blue and Gold newsletter. Please keep up the good work. It's wonderful reading for a shut-in!

### Elizabeth Amberg

**Lawrence**, '48, Dansville, NY: A favorite memory: How lucky we were, back in the 40s, for five of us to decide to walk home on a nice day. It was six miles to Alfred and we didn't need a note giving us permission to do this. AACS has a great newsletter and annual reunion! Many people I talk to don't have this. It's a wonderful way to keep up and reconnect with classmates.

### 1949

**Charles Packard**, '49, Frederick, MD: Retired accountant, U. S. Public Health Service. Hobby: square dancing. Favorite memory: Basketball and baseball games... **Mr. Torrey's** history class competitions. Re the newsletter: The dedicated individuals who keep the

association going do an excellent job and are to be commended for their support and loyalty to Alfred-Almond.

**Philip C. Saunders**, '49, Scottsville, NY: Taught high school chemistry at Wheatland-Chili CS and Rush-Henrietta CS for 30 years and have been retired since 1987. Favorite trips include Block Island, RI, and three tours to Ireland. Favorite memories: Playing baritone horn in the band for **Olin Johnson** and being on the Section V Class B Championship teams for **Paul Powers**. Very good job – newsletter!

### 1950

**Donald Armstrong**, '50, Stow, OH: It has been several years since I've sent in any dues, so I'm glad to receive this reminder. Publishing and mailing such a well-done newsletter is ever more expensive. All involved do a great job. You are appreciated!

### Irene Wheaton George,

'50, Almond, NY: Favorite memories: All the good friends I made. I am glad to read where all of them went and what they are doing. The most of us are over the hill... The committee does a great job doing this letter.

### Harold Snyder,

'50, Alfred Station, NY: Nineteen grandchildren, 9 great-grandchildren. Fortunate to have most of them living in Alfred. **Bev** and I are swing dancing twice a week in Wellsville and making many new friends and hopefully keeping fit while enjoying ourselves. Still on the farm, semi-retired. Favorite memories: Friends, sports and "Field Day".

### Phyllis Wilkins Youghans,

'50, Fairport, NY: Happy to see the Alumni Association doing so well. Thanks to all those who make it happen.

### 1951

**James T. Harris**, '51, Cranston, RI: Still doing clock repair and church work. Favorite memory: Planting pine trees on hillside in back of AACS. Playing short stop in baseball, left wing in soccer, guard in basketball and following **Don Martin** and **Don Biehl** in setting a new record for Section V hurdles and we didn't even have a hurdle on the school or a track, for that matter. Excellent newsletter publication!

### 1952

**Anne McIntosh Hardy-Holley**, '52, San Antonio, TX: While reading the AA AA newsletter, I was so impressed with the scholarship awards the Association has been able to give to graduating students. It has been an inspiration to our family to continue our efforts here in San Antonio with the David Hardy-Holley Memorial Scholarship Fund at Lanier High School, an inner-city school where our son, David, served as a police officer. He was instrumental in establishing an Explorer Scout Criminal Justice Unit in 2005 at the school which started out with 12 members. David lost his battle with cancer at 39 in 2007, and today there are over 78 members of the unit, and it grows in numbers and reputation every year. This year we were able to award six \$500 scholarships to the most amazing young people who are headed to college to pursue some aspect of criminal justice. These are all students who have great financial needs and have dreams of making their world a better place in which to live. Seeing what the AA AA has done, inspires us to "think big" and increase our involvement in the scholarship program we have established in David's memory. Thank you. AACS Class Of 1945 Celebrates  
*65 Years*

By Betty Hicks Schwartz, '45

The graduating class of 1945 from AACS celebrated their 65<sup>th</sup> year by enjoying a luncheon at the Valley Grill in Canisteo on Friday, August 6, 2010. Fourteen classmates and friends shared memories and thoughts of the passing years.

A favorite memory written by **Elaine Gardiner Decker**, Class of 1945 Salutatorian, was read and is included below. A very important classmate, **Dave Ferry**, has been faithful through the years to travel from his home in St. Louis and has kept class members updated with newsletters and addresses. Due to ill health, he was sadly missed for this year's celebration.

Class members and friends who attended were: **Anna Marie Snyder Trowbridge, Martin (Bud) Gillette, Phil** and **Doris MacMichael, Paul** and **Betty Burdett, Frank Snyder, Thelma Mix, Fran** and **Betty Hicks Schwartz**, and attending from Florida were **Ken** and **Joan Wirt, Don Zirklebach** and friend Betty Young.

Plans are being made for the class' annual get-together at Cartwright's Maple Tree Inn in Short Tract in March.

In bidding farewell, **Betty Schwartz** said to the class, "We have grown old together."

**Elaine Gardiner Decker** wrote about a favorite memory: "Our class put out the first hard cover yearbook at AACS. We really worked hard to sell them. I remember making the rounds of classrooms before classes started in the morning collecting installment payments (often 10 cents a week) and keeping all the records. (We also sold 10-cent war savings stamps). Then the books were delayed because of the war and we delivered them after school was out. **Mr. Andrews, Adele Wightman, Dale Miller, Phil Gregory** and I loaded them in Mr. Andrews' station wagon and drove to Alfred and Almond and up and down the valleys. Some of them had imprinted names of them and others had not been completely paid for, so it was rather complicated but lots of fun!"

She shared a humorous memory: "Getting to out of town basketball games during gas rationing was not easy. **'Cottie' Brown** had a coupe with a partition to the trunk removed. I remember the looks of people watching out of the windows at the Big Elms Restaurant in Hornell the night that nine students clambered out of 'Cottie's' coupe when we stopped for a snack after the game." ■

Lyle Cook  
Sports Hall Of Fame Member, Passes Away

**Lyle Cook**, '81, a 2006 inductee into the AA AA Sports Hall of Fame, passed away February 27, 2011. While at AACS, Lyle played three years of varsity baseball as a pitcher, two years of varsity soccer and two years of varsity basketball. In baseball, AACS won the section V Class C baseball championship at Silver Stadium in 1981 over Red Creek by the score of 11-3. Lyle was the winning pitcher, striking out 11 batters in the victory. This was the 12<sup>th</sup> straight win in 13 games that ended the season with a 13-4 record. Lyle pitched in all four sectional games.

Termed a "great all around athlete," he played on the soccer teams in 1979 and 1980 that made the semi-finals. Lyle led the basketball team in rebounds both his junior and senior year, averaging 17 points a game in his senior year. He had a single game high of 33 points in a win against Avoca with a score of 80-79. Avoca was undefeated at the time.

Lyle received his associates degree from Alfred Tech, and went on for his bachelors at Brockport State, where he pitched baseball. At the time of his death, he lived in LeRoy, NY, with his wife and two children and was employed by the MVP Health Care Co. of Rochester, as a database administrator.

At Lyle's memorial service on March 12, 2011 in LeRoy, **Mike Obuhanich**, '69, spoke: "Lyle was voted into the Alfred-Almond Hall of Fame in 2006. As I told him in a letter I had sent to him recently, his acceptance speech that night was the most self-effacing speech I have ever heard from someone who so deserved the honor. He didn't talk about his stats and his accomplishments on the courts and fields. He spoke about how lucky he was to have grown up with a supportive family and friends in the small town atmosphere of Almond. This was not long after his first bout with his illness and he was very happy to be getting a second chance on life and he wanted all of us to be thankful for what we have and to get the most out of every day. He certainly was one of the best athletes to graduate from Alfred-Almond but should be even more noted for the great husband, father, son, brother and friend that he was to all of us throughout his life." ■

**Dr. John Mauro**, '97, was presented the 2010 Woldemar A. Weyl International Glass Science Award by the Pennsylvania State University and the International Commission on Glass at the XXII International Congress on Glass in Salvador, Brazil, in September 2010. "The Weyl Award is presented every three years to recognize a young scientist whose work in glass has shown ingenuity, initiative, and above all, innovative thinking. John is recognized worldwide as an expert in the modeling and characterization of the relaxation behavior of glass," an October 21, 2010 article in the Alfred Sun stated. John received a B.A. in Computer Science, B.S. in Glass Engineering Science, and a Ph.D. in Glass Science, all from Alfred University. He joined Corning, Inc., as an intern and was soon hired full-time in 2001. He is the author of 60 publications in international peer-reviewed journals, and was selected for Corning's 2009 Outstanding Publication award. He has been granted four U.S. patents and has five additional patents pending. In addition to his myriad contributions and responsibilities at Corning, Inc., he is also editor of the special "Glass Works" issue of ODYSSEY, a science magazine for children ages 12-16. He lives in Corning together with his wife, Yihong, and daughter Sofia. ■

40-Year  
*Reunion*

By Doug Lorow, '70

While it certainly didn't seem like "yesterday" that we graduated from the hallowed halls of Alfred-Almond, I found myself shaking my head in amazement when looking forward to this particular reunion with my classmates. How could it possibly be 40 years since we were students at AACS? And, how could we, as a class, be approaching the 60-year old age barrier? Not sure which event in time was crazier when I actually sat and thought about it. Am sure many classes before ours have had the same feelings and those who follow will as well.

We had a close class  
and as the years have  
gone by, I've found  
myself appreciating  
that more and more.

I have always looked forward to our class reunions when it was an "honored class" time of 5-10-20-25 years and more. We had a close class and as the years have gone by, I've found myself appreciating that more and more. While I haven't lived in the Alfred-Almond area in some twenty-five years, I am in a rather unique position of being as close to home as possible by writing a weekly sports column for the *Alfred Sun*. In many ways I have been able to stay in contact with classmates, if only by the ones questioning what I have to say in the column itself!

Over the years our class has planned a Saturday afternoon picnic somewhere. This usually starts after I run into **Don Higgins, Jan Phillipson Burdick** and/or **Linell Soule** at Hot Dog Day in Alfred, the year prior to one of our 5-year gatherings. Different people, of course, have helped out in planning and organizing over the years but somehow,

someway, we pretty much look at each other that day in Alfred and say ... "what are we going to do this year?" Usually I'll remark to Higgins ... "whatever you'd like!" and then duck before he hits me.

As our 40th approached, making plans for the get together seemed to be put on hold as everyone was busy doing this or that. Funny how that could happen in this day and age! With that in mind, it

again. Much older!

Growing up in Almond and attending Alfred-Almond, it isn't strange at all to go to the alumni banquet on Saturday evening and see someone you know five to ten years older or younger than you there. One of the great things about small-town USA, the A-A alumni banquet in particular and perhaps life in general. Having your class as one of the honored

was time to simplify and go from there: Meet at Cafe Za in Alfred on Friday night and Muhleisen's in Almond on Saturday afternoon. Nothing fancy, nothing to do, just show up! And while people didn't show up in droves, those that did had a great time just getting back together and talking. A few brought the 1970 Alcen, some other pictures and after some early trepidation, it was back to old times

classes makes it a little more special that year and I hope it was for the others who made the effort to attend. If more did, I think they would enjoy themselves and perhaps kick themselves for not attending sooner. ■

Who would think that an old chair – bought at an estate sale – could “speak” to us about happenings fifty-five years ago?

When **Helena Aldrich**, wife of the late **Simon Aldrich**, '55, began restoring a chair which she bought recently, she found two *Alfred Suns*, dated May 31 and June 7, 1956, stuffed under the seat. The newspapers were apparently used as padding under the leatherette pressed seat by Simon's grandfather, Harry Austin, the Sun subscriber. “The first face I saw was **Betsey Burdett's** in an article announcing her engagement,” Helena said. Removing the newspapers, she found more news of AACS alumni. The front page also contained the photo of **Marion Sutton**, '51, who received academic honors at AU: “... a young lady who has earned nothing but straight A's all through her college career and has attained the highest possible academic average for an undergraduate student.”

Sports stories noted that “AA had two representatives in Section 5 NYS 33<sup>rd</sup> annual Track and Field Championships: **Dale Barron**, '56, and **Clifford Patrick**, '57, finished third in the 880-yard run, and 5<sup>th</sup> in the 110-yard dash respectively, in Class B competition. The American Legion Mile was taken by **Harold Snyder**, '50, with a time of 4:32.8.” The AA baseball team had defeated Friendship, scoring “seven runs for a 15-12 come-from-behind victory. **Cliff Patrick** connected for the distance with a man on to put AA ahead 10-9. Then after the next two hitters reached first, **Ward Jones** belted a home run for three more markers. **Les Allen** paced the attack with four hits in five trips, including a homer and triple.”

Another article brings memories of AACS Annual Field Days and reads:

“Friday, the Class of 1956 will be defending the Field Day title it won last year...”

Activities start at 8:50 a.m. with an assembly. Opening ceremonies are scheduled for 9:40 with a parade. Throughout the morning, members of the various classes will compete in track events, with both boys and girls entering. Following lunch, the classes will meet for election of officers. At 1:00 p.m. ball games will be played with the sophomore and junior boys meeting the senior boys and the sophomore and junior girls meeting the senior girls, while the 7<sup>th</sup> and 8th grades will meet the 9<sup>th</sup> grade in separate games again for both boys and girls. Captains are **Ward Jones**, **Les Allen**, **Shirley Emerson**, **Wanda Plank**, **Fred Rawe**, **Charles Thacher**, **Linda Whitney** and **Bonnie Allen**. **A. Prentice Stillman** will be announcer for the events, with **V.O. Linderman** acting as starter. Scorers are to be **Mrs. Dorothy Crusen** and **Miss Helen Thomas**. **Mrs. Thelma Post** is in charge of first aid. **Robert Torrey** is the timer and **Harold Snyder** will be clerk”.

That year, 1956, was the year of AACS administration changes: **Mr. John Gilmore**, who had been principal of AACS for thirteen years, had been appointed superintendent of Wellsville

Central School, and was being honored at a farewell party, co-chaired by **Mrs. Winifred Mensinger** and **Ernest Moore**. **Alan G. Schmidt** was master of ceremonies as Mr. Gilmore's life was depicted “more or less accurately” in a “This Is Your Life” skit. In another article, **Mr. Kenneth Clicquennoi**, who had served as a teacher and administrator in the Painted Post school system since 1937, was introduced as

the new principal.

AA FHA news: **Joan Greene** was one of three girls of the 6,085 FHA members in NYS to receive her homemakers degree at the State FHA meeting at Oneonta. New local officers were installed: **Sally Smith**, replacing **Wanda Plank** as president; **Phyllis Wightman**, replacing **Phyllis Rawleigh** as vice president; **Beth Jacox**, replacing **Betty Rigby** as secretary; **Beverly Allen** replacing **Jackie Sick** as treasurer; **Virginia Gillette**, replacing **Delores Coombs** as public relations office and **Mary Spaine**, replacing **Sharon Mason** as song leader. Gifts were given to the senior and chapter mothers: **Mrs. Perry**, **Mrs. Greene**, **Mrs. Coombs**, **Mrs. Plank** and **Mrs. Cartwright**.

AA FFA news: **Robert Sherman** was elected president, **Francis Clancy**, vice president; **Raymond Goodridge**, secretary; **Douglas Burdick**, treasurer; **Theodore Hale**, reporter, and **George Ormsby**, sentinel. Attending the NYS FFA Camp Oswegatchie will be **Sherman** and **Jim Wilcox**, highest seed salesman, and also **Richard Tucker**, **James Burdett** and **Raymond Dunn**.

Thanks, Helena, for taking us on a walk down a 1956 memory lane via that old chair! ■

AACS alumni: You would have been proud of your Alumni Association at the June, 2010, AACS commencement when we presented \$32,000 in AA Alumni scholarship awards to sixteen seniors! AA AA President **Lee A. Ryan**, '55, announced the recipients, and recognized the many alumni in the audience, representing those who generously contribute to the scholarship funds. Because of your generosity, we were able to increase the awards by \$8,000 over the \$24,000 given in 2009.

The first recipient of the **Rachael Amato/Tom Murphy Memorial Scholarship** was **Samuel Huang**, son of Wilfred and Yenfen Huang of Alfred. The **Juanita Whitaker Pulos Fine Arts Scholarship** went to **Meghann Williams**, daughter of Andy and Teresa Williams of Hornell. Alumni scholarships in memory of **Frances Burke Nash and Arlene Champlin Roberts** were awarded to **Kimberly Dodge**, daughter of **David Dodge**, '89, and **Nicole Jessup Dodge**, '90; **Kelsey Hageman**, daughter of Joanne Hageman; **Robert George**, son of **Chris George**, '82, and Debbie George; and **Megan Earl**, daughter of Willis and Helen Earl. Ten seniors received the **Jean Hanks Palmiter/Dale Lorow** Alumni Scholarships: **John Cormack**, son of Alastair Cormack and Anna McHale; **Elizabeth Acker**, daughter of Gary and Phyllis Acker; **Joseph Torkaman**, son of Masoud Torkaman and **Lucinda Snyder**, '86; and **Shirley Tang**, daughter of Jiaxin Tang and Heli Dong; **Kelsey Hanbach**, daughter of Thomas Hanbach and Debra Votava; **Eva Shardlow**, daughter of Mark and Nadine Shardlow; **Callan Godshalk**, son of Gordon Godshalk and Nancy Albright; **Caroline McDowell**, daughter of Thomas McDowell and Susan Mayberry; **Richard Ben Gray**, son of Richard Gray and Teresa Deninger; and **Kristen Walsh**, daughter of Barry and Margaret Walsh.

Prior to announcing the winners, AA AA President Ryan explained that the applicants followed an application process, and then were voted upon by their peers and high school faculty. The final selection was made by the

alumni scholarship committee. He stressed that these awards are based on merit, with the following criteria considered: Leadership, character, reputation, academic effort, service to the community and to their school, and involvement in extracurricular activities, in-school activities, and non-school activities.

Each of the sixteen received a \$2000 scholarship, with the initial \$1,000 presented at the alumni banquet, and the second \$1000 payable at the end of the successful completion of their first semester at college. The sincere thank you notes received by these recipients should be an encouragement to alumni to continue their openhanded giving to these scholarship funds.

**Samuel Huang**, who is attending the University of Rochester, wrote: “It is an honor to be the first recipient of the Amato/Murphy Scholarship, and the generous financial aid is greatly appreciated. However, this scholarship has much more than monetary value. To anyone in the Class of 2010, this award is proof that “Forever in Our Hearts” are not idle words. It is truly inspiring to read that **Dr. Feltham**, despite all his successes, still thinks of his classmates often. As corny as it sounds, this

scholarship provides the comforting thought that twenty years from now, we will still remember our classmates. Thank you.”

Meghann Williams and Bill Pulos

**Meghann Williams**, recipient of the Juanita Whitaker Pulos Fine Arts Scholarship, is attending SUNY New Paltz where she is majoring in Music Therapy. “The funds that the Association and the Pulos family have provided goes a long way in helping with my many college

Continued on page 24

expenses. Mrs. Pulos made a huge impact on people through music and I hope to do the same. The Alumni Association awarded an amazing sixteen scholarships to members of the Class of 2010. The members of the Association are very generous and supportive of AA graduates. Thank you for all of your hard work and continued support,” her note read.

**Kelsey Hanbach**, a freshman at Syracuse University, noted that she was able to use the money to help pay for books and supplies, and said: “I really appreciate your gift and it will be a huge help...”

A student at The University of the Arts, Philadelphia, PA, **Kelsey Hageman** wrote: “Thank you very much for the generous scholarship. I am very thankful that I am now a graduate of such a wonderful school. I had a very nice time at the AACS Alumni Association banquet: it’s remarkable to see the sense of community between all the alumni. Thank you again for the scholarship, it means more to me than most would think. Thank you for continuing to make my dream possible.”

**Robert George**, attending Alfred University, expressed his thanks this way: “I would like to thank you for the scholarship. It has helped me through college so far.”

Two recipients, **Beth Acker** and **Kristen Walsh**, are attending Alfred State. **Beth** wrote: “I am very appreciative of the members of the Alumni Association that made it possible to award \$32,000 in scholarships. Those generous donations are a tremendous help in covering the money expenses of college. I am so thankful that I was selected to receive this award and it will be a great help in furthering my college education.” **Kristen** called the scholarship “incredibly helpful. I am very thankful and grateful to have received this scholarship. It helped with all my expenses.”

**Caroline McDowell** expressed her thanks with these comments about the scholarship: “It has been extremely useful. I am at Goucher

College in Baltimore, MD, and it’s great. I’m playing soccer and have met a lot of great people. Thank you so much.”

**Callan Godshalk**, attending Northland College, intends to use the funds for pay for camping/rafting/backpacking/ trips while studying Outdoor Education: “Also, thank you for the great dinner at Alfred State. It was good to be with so many great people and I am honored to be known as an Alfred Almond Alum!”

Florida Institute of Technology is the school **Joseph Torkaman** is attending. “Thank you very much for choosing me to receive the AA Alumni Scholarship. It will undoubtedly assist in my future education. I am honored to be one of this year’s recipients. All of your support is greatly appreciated,” he commented.

Two recipients are attending Houghton College: **Megan Earl** wrote: “I would just like to thank everyone who contributed to giving my classmates and I these scholarships. It has been a pleasure graduating from Alfred-Almond and is, in my opinion, one of the best schools around. I couldn’t thank you enough for this money, which has helped me buy my things for college. I couldn’t have done it without the AA AA.” **Kimberly Dodge’s** note said: “I would like to thank you, AA Alumni, so much for this great and well-needed scholarship. You have helped to relieve a great amount of stress... I would like to encourage you to keep giving your scholarship out to many kids who deserve and need them.” ■

**Please consider the Alfred-Almond Alumni Association in your estate planning. The AA AA is a 501 (c) 3 corporation**

**Does your company offer matching funds for your charitable giving? Please consider that possibility when sending your gifts to the Alfred-Almond Alumni Association.**

**Beth Granger Farwell**, ’79, has been named to the board of the Educational Foundation of Alfred, Inc. As a board member, she will contribute her skills to the management of the property affairs, business, and concerns of the corporation; also participate in the adoption of resolutions and regulations for the conduct of the management of the affairs of the corporation. The Educational Foundation of Alfred, Inc., is a private foundation representing faculty, staff and friends of Alfred State College dedicated to improving the ASC community through support of educational programs. Beth holds a JD from SUNY Buffalo School of Law and a BS from Taylor University. She serves as a support magistrate for Allegany County, and is a member of the Allegany County Bar Association. ■

**Andrew Alesso**, ’90, is now the music, drama, and performing arts teacher at Villa Maria Academy, Erie, PA. He has been busy with four theater productions at school this year: *Curtains!*, *Wuthering Heights*, *Pippin*, and *Les Miserables*; as well with his show choir having more than a dozen performances in the Erie area, including auditioning and performing at Walt Disney World Resorts in Magic Music Days and in their Performing Arts Program during spring break. He also performed in a five-week run of the world premier of a new musical, *The Christmas Tablecloth* at the Riverside Inn and Dinner Theater, a three-week run of *Joseph and the Amazing Technicolor Dreamcoat* at the Erie Playhouse, and two runs of *All Shook Up*, one with the Our Lady of Peace Playhouse and one with Harborcreek High School. He is looking forward to performing a six-week run of *Honky Tonk Angels* this summer at the Riverside Inn. ■

**Bob and Pat Codispoti**, retired AACS faculty who have taken several bicycle trips, reported in the Alfred Sun about their two-day bike trip last summer in the Grand Canyon of the East. This trail was rated one of the top ten bike trips in USA Today. Beginning in Slate Creek, PA, they biked 62 miles the first day, spending the night at Manor Hotel. The next day, they continued the ride to Jersey Shore and back to Slate Creek. “We rode 118 miles in 2 days. We were on our bikes for over 12 hours averaging a little less than 10 miles per hour! And I would do it again! Next on our list of trips is a trail in West Virginia and a 200-mile one in Missouri,” Bob and Pat reported. ■

**Polly George Mehlenbacher**, ’76, was the Artist of the Month at Steuben Trust Company, Hornell, New York, in February, 2011. The promo for her show read: “Polly is the 9th of 14 children and was raised on a dairy farm in Almond, NY. She grew up in the 1960’s and 70’s with animals and Mother Nature as her playground. Her ‘canvas’ is always recycled and reused wood, stone or even a wall. Polly’s flowers come from her garden, Mother Earth and sometimes the garbage. She uses a gloss medium and existing images such as photos and prints, which are cut and arranged to make a new piece. A reception was held in the Steuben Trust lobby, and her pieces were shown during the month of February. ■

The artwork of **Carol Burzycki Flaitz**, ’75, entitled, “One Billionth of a Meter – Artistic Reflections on the World of Nanotechnology”, was on display last fall in the Llewellyn Gallery on the Alfred State Campus, the Hornell *Evening Tribune* reported on October 13, 2010. “Flaitz’s paintings explore the amalgamation of technology and art and reflect our relationship as humans to the barrage of technology in our culture. Originally a ceramic artist, Flaitz has recently combined the organized feel of ceramic glazes with the images from electron microscopy. The results are paintings rich in texture evoking mysterious landscapes of questionable scale,” the article stated. She exhibits her work internationally and recently took part in an exhibition in Cologne, Germany, titled “Planet Earth: Planet Art.” Carol began her artistic career in Alfred as a student of Katherine Nelson and received her BFA at the NYS College of Ceramics, receiving her MFA in ceramics from South Glamorgan Institute in Cardiff, Wales. She currently lives in Newburgh, NY. ■ [www.carolflaitz.com](http://www.carolflaitz.com)

**Eliza Grandusky Ordway**, ’96, of Andover, NY, has been appointed director of the Alfred Box of Books Library. A graduate of SUNY Cortland, Eliza first joined the Box of Books staff as program director in September 2007, expanding programming significantly, bringing the community into the library for special events and attracting regular groups for weekly programming, particularly for children and youth. Eliza’s “enthusiasm for the Box of Books is contagious,” the Box of Books board of trustees president, Ellen Ehrig, stated, recognizing that “her cheerful disposition creates a welcoming environment for patrons, especially children, who are delighted to be greeted by name as they enter the front door of the library.” ■

**Daniel Mauro**, ’04, was graduated from University of Kansas with a Master of Arts in Film and Media Studies. For the 2009 to 2010 academic year, Mauro was named top presenter at the annual departmental Graduate Symposium and was awarded the Berg Family Film Studies Award for significant scholarly research. He has a forthcoming publication in the academic journal *The Moving Image* from the University of Minnesota Press. Mauro will be continuing his research as a Ph.D. candidate at the University of Texas at Austin beginning in the fall semester of 2010. ■

**Carolyn Newman Pratt**, ’67, 20-year Alfred State College staff member, received the Pioneer Award, which recognizes those who demonstrate commitment to the mission and goals of the college, meaningful and measurable positive impact on the college, role modeling, and a high level of performance. Carolyn’s nominator described her as one who “befriended the students... and was a motherly figure for some that just needed to have a mom present... never dull... never complains... she gets the job done!” Carolyn was one of only five recipients of this prestigious award. ■

**Jerry**, ’72, and **Dotty Snyder** and family, owners of Sunny Cove Farm, were named fourth place winners in March in a national Grant A Wish contest sponsored by Organic Valley and Stonyfield Farm. They were among six organic dairy farm finalists in the running to win \$10,000 to fund a dream project to make their farm more environmentally sustainable. Gerry owns 400 acres of land on Waterwells Road, Alfred, with his seven sons and a daughter, using environmentally, economically and culturally sustainable practices. They have about 120 animals, milking a herd of about 50. They also have an organic apple orchard and tap maple trees. The Snyders’ proposal aimed to create an elevated pond that feeds a homemade hydro-electric system that would directly supply their farm with energy. An elevation drop of 75 feet will send water from the pond to a turbine connected to the dairy barn, producing electricity for the farm. ■

Thanks to Rich Calkins, new AACs superintendent, the AACs alumni will have our own space at AACs where we can display our plaques and items honoring alumni. Handsome signs will designate the gymnasium/swimming pool corridor as Alumni Hall and our wall will be marked Alumni Wall.

It is fitting that the corridor be named ALUMNI HALL, since it is lined with showcases containing trophies and memorabilia dating back through the 70-year history of AACs sports. On the opposite side of the hallway are the eight veterans' plaques, decorated with brass nameplates listing the names of AACs alumni veterans who have served our county. A large wooden plaque, ca. 1947, also lists the names of World War II veterans.

Alumni Wall Will Also Honor Our Military Heroes

This year, in lieu of the Humanitarian Hall of Fame induction, the AA AA board decided that it would be fitting to honor AA veterans who have received the highest military decorations and personal medals for bravery and valor.

Several items which feature honored alumni will find a home on the new Alumni Wall, including the Humanitarian Hall of Fame and Sports Hall of Fame plaques, a tribute to **Arlene Champlin Roberts**, the **Patrick Fasano** Sportsmanship plaque, as well as the glass-enclosed flag presented this year by US Navy SEAL **Eric Crandall**, '04 (see related story on page 9).

We are very thankful for Mr. Calkins' support of our alumni projects. In his letter to the AA AA, informing us that the AA Board of Education had approved our request for alumni-designated space, he wrote: "The AACs board of education thought that it was a super idea, and greatly appreciate all that you do for the district."

To inaugurate the Alumni Wall, a new plaque is being created, recognizing those service men and women. To date, these are the names we have on file, all of whom will be recognized at the 2011 banquet.

While commendation and achievement medals, unit and service and training awards and good conduct medals are worthy, this special plaque will honor the recipients of personal bravery medals in the top categories ranking above the achievement medals. (Refer to [http://en.wikipedia.org/wiki/Awards\\_and\\_decorations\\_of\\_the\\_United\\_States\\_military](http://en.wikipedia.org/wiki/Awards_and_decorations_of_the_United_States_military))

For the past eight years, **Karl Grantier**, '55, has been spearheading the project of gathering the names of alumni who have served in the military, along with a listing of distinguished medals they have received. We are hoping that our list is

complete and accurate. However, as hard as we have tried to gather correct information, it is probable that there are missing names. We need your help: If you know of others who have been recognized for heroics and distinguished personal service, please contact us with their names, along with either copies of discharge papers or DD 214 as verification. It is our sincere desire to recognize all our heroes. You may contact Donna B. Ryan, [lee\\_donna@frontiernet.net](mailto:lee_donna@frontiernet.net), PO Box 236, Almond, NY, 14804 (607) 276-6760 or Karl Grantier, [kgrantier@gmail.com](mailto:kgrantier@gmail.com), (607) 276-2605. ■
